SUBJECT: SINGAPORE POC FOR NON-PRO AND EXPORT CONTROL
TRAINING

Our cooperative relationship and its strategic location make Singapore an obvious and welcome recipient of USG-sponsored export control, non-proliferation, and counter-proliferation training programs. The resulting crowded multi-agency training schedule can tax Embassy and GOS resources if not properly managed. To ensure the effectiveness of USG training efforts in Singapore, we request interested parties direct all training-related correspondence to the following points of contact, who in turn will direct this information to the appropriate Embassy section or agency for action:

Name: Michael Clausen
Title: Economic Officer
Tel: (65) 6476 9273
